Program Overview

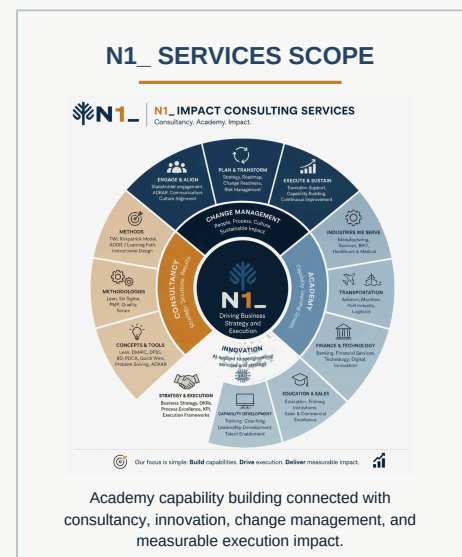

Training Design & Management - TWI helps leaders design practical training systems that support reliable execution. The workshop focuses on how to standardize knowledge transfer, improve job instruction, and build capability across operational teams.

Scope

Training-system design using Training Within Industry principles for standard work, job instruction, and capability development.

Core Content Areas

Job Instruction Job Methods Standard Work Capability Building

BUSINESS IMPACT

Improves workforce consistency, reduces training variation, accelerates onboarding, and develops more autonomous operational teams.

Curriculum Overview

Training Design & Management - TWI - public program map

Detailed templates, facilitator guides, examples, and proprietary implementation logic are reserved for enrolled participants and authorized N1_ delivery teams.

Block 1 - Training as an Operational System

Explore how training quality affects productivity, safety, quality, and employee confidence.

Block 2 - Job Instruction Foundations

Introduce high-level principles for transferring knowledge in a consistent and practical way.

Block 3 - Job Methods & Standard Work Thinking

Understand how standard work and method improvement support performance consistency.

Block 4 - Capability Management

Track skill development, reinforce learning, and support autonomous operational teams.

Learning Outcomes

- Explain the purpose of TWI.
- Identify training-system gaps.
- Structure job instruction at a high level.
- Improve training consistency and capability management.

Who Should Attend

Supervisors, trainers, operations leaders, HR learning teams, manufacturing teams, service teams, team leads, and managers responsible for onboarding or skills development.

Professional Impact

Enhances leadership capacity in operations-heavy environments and strengthens workforce-development expertise.

Bring this workshop to your team

Immediate application through facilitated practice, real business scenarios, and practical implementation discussion.
